REMARKS

00-04 Moored starboard side to USS Robison (DDG-12) in a nest of three ships at pier 8, U.S. Naval Station, San Diego, California. The USS Roark (D.E-1053) is the third ship in the nest, moored outboard to port of this ship. All ships are secured with six standard destroyer mooring lines doubled. SOPA is COMPHIBPAC located on North Island. The Engineering plant is in a cold iron status, receiving all services from the pier. Material condition Yoke and condition of readiness IV are set throughout the ship. Other ships present include various other units of the U.S. Pacific Fleet.
